Dear Mr President,

Following our meeting in Dhaka, where the President agreed to ask merchants for a face-to-face meeting with a delegation from Bangladesh at the ICA Dinner, this has not been possible as the main merchants would prefer to deal with their clients on an individual basis at the Dinner. However, I would like to give you an opportunity to talk about the issues facing Bangladesh mills and talk about the market outlook for Bangladesh and in particular the cotton spinning industry at our main session. Your presentation would need to be about 30 minutes and it would be a golden opportunity to stimulate debate and to put Bangladesh in the spotlight to a large audience. Please let me know if you would like to take advantage of this opportunity and we look forward to welcoming you in Liverpool.

Regards

Kai Hughes
